Everyone knows they should make a will, but it's easy to put it off.

Writing a will and keeping it updated is the only way to ensure your wishes are fulfilled beyond the end of your life, so you can support loved ones and causes you care about.

We've partnered with Farewill, the UK's favourite will writer, to offer a free online will writing service which you can do from the comfort of your home in less than 30 minutes.

Why make a will?

- Choose what happens to your assets
 - Plan for your children's needs
 - Protect your property
 - Reflect modern family life
- Reduce your inheritance tax bill
 - Include a charitable gift
 - Peace of mind
